Abidjan, 4 October 2018

AFRICA: "LET'S PROTECT OUR DEVELOPMENT"

The 5th edition of SHIELD AFRICA, the international Security and Defence exhibition of the African continent, will be held from 22 to 24 January 2019 in the Abidjan Police Academy in Côte d'Ivoire.

The Ministry of Interior and Security of Côte d'Ivoire is sponsoring this event which will bring together delegations and visitors from all African countries and industry from all around the world.

After the successful show in 2017, SHIELD AFRICA 2019 will revolve around the theme: "Secured and controlled Land, Sea and Air Borders, conditions for the development of Africa".

The exhibition will be preceded by international conference on January 21, 2019 at the Hotel Ivoire, under the patronage of the Ministry of State, Ministry of Defence of Côte d'Ivoire, it will address the issues of border security. **A large number of Official Delegations** from all African countries will assist to both events, most of them of Ministry level.
